Ribbons Type PR10

- Thermal transfer printer ribbon for Partex MK10 printers.
- Specifically designed to maximise print performance for the recommended products.
- For printing on markers, heat shrink tubing and labels.
- Offers excellent durability in all types of extreme environments and high resistance to solvents and mechanical wear.

BENEFITS

PR10 is a ultra-resistant resin thermal transfer ribbon that delivers exceptionally sharp print edges ensuring clear, highly durable and dense print results.

It can withstand extreme conditions, offering excellent durablity, resistance to solvents and mechanical wear.

The resin is halogen free and can therefore be used in applications with high fire safety requirements.

Ideal for both indoors and outdoors use. Typical applications are electrical installations and general industrial identification.

Is recommended for a wide range of markers, heat shrink, and label products.

TECHNICAL INFORMATION

Ribbon ink type
Resin

Print colour:
Black

Certifications and legal compliance
REACH and RoHS
Halogen Free

Printer compatibility
All MK10 series printers

Storage conditions
Shelf life: 1 year (guaranteed). Under optimal storage conditions, the product's usability may extend to 2-3 years.
Temperature: 5°C to 35°C (40°F to 95°F)
Humidity: 20% - 80%
Keep away from heat and direct sunlight

PRODUCT INFORMATION

Article number	Size		Size		Colour	Winding direction
	Length [m]	Width [mm]	Length [ft]	Width [inch]		
MK10-RB-PR10-25	300	25	984	0.984	Black	Inkside in
MK10-RB-PR10-55	300	55	984	2.165	Black	Inkside in
MK10-RB-PR10-80	300	80	984	3.150	Black	Inkside in

How to read this table:

● **Recommended as primary choice**

Example with the PPQ: The PX6 ribbon is recommended as a first-choice ribbon in combination with product PPQ for printing on MK10 series printers. The ribbon is the best match, providing the highest print quality and durability.

○ **Recommended as secondary choice**

Example with the PPQ: The PR8 and PR10 ribbons are recommended as a second-choice ribbon in combination with product PPQ for printing on MK10 series printers. The ribbon is a great match, providing good print quality and durability.
